Sue -

David's system seems to strip out the attachment. Could you please send me a copy of the draft workplan directly?

Thanks. - Tom H.

Hi Sue - I think the plan needs to incorporate the items described in the federal Bay-Delta MOU for the federal work plan. Tom Hagler at EPA will take a stab at incorporating those into the draft you have provided. The federal team is meeting tomorrow. I will get you consolidated comments after our meeting.

Subject: Draft Action Plan

David – Attached is my first draft of a federal-state action plan (14-month strategy). I gave a copy to Lester this morning to review. Wanted to get your thoughts on what items (pages 2-3) should stay, what should come off, what is missing, etc. Thank you.
